Business services

Short-term retail

A space for a new collection, a product display or a first visit to the city. Rental options are available at all five locations, with a choice of dates, space sizes and setup.

Brand launches and events

A launch can bring your products and brand story to a new audience. Displays, signs and event space can be arranged to match the location and the collection.

Store setup

From clothing rails and a sales counter to display lights and fitting areas, setup can be simple or more complete. Extra storage and printed signs are also available.

A longer-term home

For permanent stores, space size, design and lease length are agreed separately. Each of our location profiles gives a view of the shopping offer and the surrounding area.

Local arrangements

Delivery access, opening times and the exact space are confirmed with the final offer. Staff, stock and payment equipment are arranged separately.

Short-term rates are available in the separate *Retail spaces & rates* booklet. Venue websites and photography credits: bhteach.github.io/brands-bangkok/sources.html

RATCHAPRASONG · BANGKOK

CentralWorld

Put your brand among international fashion, food, beauty and entertainment in the centre of Bangkok.

A city-scale stage for retail.

Retail setting
International fashion · Lifestyle · Events

Rail access
BTS Chit Lom / Siam

The retail character

CentralWorld has a wide choice of clothing and sportswear. Uniqlo, Zara, Adidas and Nike are among the brands here. Visitors can shop, meet friends and spend a full day at the centre.

Around the address

The centre is on Rama I Road in Ratchaprasong. Events and seasonal promotions add to the activity around the shops. There are many different areas within the large complex.

Getting here

CentralWorld is a short walk from BTS Chit Lom or Siam. Raised walkways connect the shopping area to both stations.

A fashion business perspective

A shop here can bring a new collection close to well-known fashion brands. There is room for a strong window display and a clear brand message. Different areas of the centre offer different settings for a launch.

Beyond fashion

Restaurants, beauty stores, technology shops and entertainment bring people to the centre throughout the day. Fashion is part of a much wider shopping offer.

SIAM · BANGKOK

Siam Center

Give your brand a home among fashion, design and new ideas in the Siam shopping district.

An address for new ideas.

Retail setting
Thai design · Street fashion · Creative retail

Rail access
BTS Siam

The retail character

Siam Center brings together fashion, art, beauty and lifestyle shops. Thai designers are an important part of the offer. Absolute Siam Store sells products from several Thai brands.

Around the address

Siam Paragon is next door, and Siam Discovery is nearby. Visitors can move between several shopping centres in the same area. The BTS connection makes the journey easy.

Getting here

Siam Center connects to BTS Siam at Exit 2. Both the Sukhumvit and Silom train lines stop here.

A fashion business perspective

This is a place for new styles and brands with a clear identity. Clothing, accessories and creative displays are part of the shopping experience. A small collection can sit alongside Thai fashion and international styles.

Beyond fashion

Beauty products, lifestyle shops, food and creative events add to the fashion offer. Visitors can explore more than clothing during their visit.

ASOK · SUKHUMVIT · BANGKOK

Terminal 21 Asok

Bring your collection to a shopping centre where local shops meet visitors from across the city.

Where journeys meet shopping.

Retail setting
Local shops · Fashion · Dining

Rail access
BTS Asok + MRT Sukhumvit

The retail character

Terminal 21 Asok has an airport theme. Different areas are based on cities such as Tokyo, London and San Francisco. Local shops sell fashion alongside restaurants and entertainment.

Around the address

The mall is at Sukhumvit Soi 19 in the Asok business area. Its two train connections make it easy to include shopping in a journey through Bangkok.

Getting here

BTS Asok Exit 1 and MRT Sukhumvit Exit 3 connect to the mall. Visitors can reach it using either train system.

A fashion business perspective

Smaller shops give this centre a different feel from a row of large international stores. A compact space can show a focused clothing range, with a clear display and prices that are easy to see.

Beyond fashion

Food and film are also part of the centre's offer. People can combine a meal or a cinema visit with time in the shops.

SIAM · BANGKOK

Siam Paragon

Show your brand in a well-known Bangkok shopping centre with international fashion, restaurants and entertainment.

A prominent place to be seen.

Retail setting
Luxury fashion · International retail · Lifestyle

Rail access
BTS Siam

The retail character

Siam Paragon is known for luxury fashion. It also has brands such as H&M, Uniqlo, Zara and United Arrows. Visitors can find both luxury labels and everyday clothing in the same centre.

Around the address

The centre is in the Siam shopping district, next to Siam Center. The BTS station and nearby malls make it easy to visit several shopping destinations in one trip.

Getting here

Siam Paragon connects to BTS Siam at Exit 3. Both the Sukhumvit and Silom lines stop at this station.

A fashion business perspective

A fashion shop here puts a collection in a setting with well-known brands and high-quality displays. Spaces on different floors offer different surroundings and nearby shops.

Beyond fashion

Home products, technology, beauty, food and entertainment add to the fashion offer. Visitors have many reasons to spend time at the centre.

PLOEN CHIT · BANGKOK

Central Embassy

Present your brand in a stylish setting with luxury fashion, design, food and hotel services.

A considered setting for your brand.

Retail setting
Luxury · Design · Dining

Rail access
BTS Phloen Chit

Photo: Ryan Tang · CC0 1.0 · Resized and cropped. Original: Wikimedia Commons.

The retail character

Central Embassy brings together international and Thai fashion, beauty, design and restaurants. Its curved building and open interior are part of the experience.

Around the address

Park Hyatt Bangkok is above the shopping centre. On Level 6, Open House brings books, food and shared spaces together. People can spend time here as well as shop.

Getting here

Central Embassy connects to BTS Phloen Chit. It stands where Ploen Chit Road meets Wireless Road.

A fashion business perspective

A smaller shop can offer time for customers to explore products and talk with staff. Display units, lighting and packaging can form part of a complete brand experience in this luxury setting.

Beyond fashion

Open House adds books, dining and places to meet. The centre also offers services such as personal shopping and language support.
